PHYSICIAN ASSISTANT APPLICATION FOR PRESCRIPTIVE AUTHORITY

INSTRUCTIONS

When to File Prescriptive Authority Application

This is an application to be granted authority to prescribe by the Board of Medical Licensure and Discipline. File this application when:

- You have applied for a Delaware Physician Assistant license but chose not to apply for prescriptive authority at the same time.
- You already hold a Delaware Physician Assistant license but have not yet applied for prescriptive authority.
- You already hold a Delaware Physician Assistant license with prescriptive authority and are reporting change of:
  - Supervising physician(s)
  - Controlled substance schedules that you are authorized to prescribe

If you have not yet applied for your Delaware Physician Assistant license, STOP. Do not file this form. See *Application for a License to Practice as a Physician Assistant in Delaware*, available on www.dpr.delaware.gov, to apply for both Physician Assistant licensure and prescriptive authority.

Important Information about Controlled Substance Registration

If you receive prescriptive authority, you may prescribe ***only non-controlled substances***. To prescribe controlled substances in Delaware, you must have ***all*** of the following:

- Delaware PA license ***with*** prescriptive authority
- At least one supervising physician for *each* individual business/practice where you practice in Delaware
- Delaware CSR
  Note: If you practice at more than one business/practice, you need only a single CSR to ***prescribe*** at all of the locations. However, every Delaware location where controlled substances are dispensed/stored must be covered by a CSR. If no other practitioner (e.g., physician), physician assistant or APN holds a Delaware CSR for a location where you will ***store/dispense***, as well as prescribe, controlled substances, you must file for an additional CSR for the location.
- Federal DEA registration for Delaware (a DEA registration in another jurisdiction is not sufficient)

To apply for a CSR(s), see *Controlled Substances Application for Advanced Practice Nurses*, available on dpr.delaware.gov. For Federal DEA registration, see DEA New Registration Applications.
