Chapter 25, Title 6 of the Delaware Code, requires a Seller of residential property to disclose in writing all material defects of the property that are known at the time the property is offered for sale or that are known prior to the time of final settlement. Residential property means any interest in a property or manufactured housing lot, improved by dwelling units for 1-4 families. The disclosure must be made on this Report, which has been approved by the Delaware Real Estate Commission and shall be updated as necessary for any material changes occurring in the property before final settlement. This Report shall be given to all prospective Buyers prior to the time the Buyer makes an offer to purchase. This Report, signed by Buyer and Seller, shall become a part of the Agreement of Sale. This Report is a good faith effort by the Seller to make the disclosures required by Delaware law and is not a warranty of any kind by the Seller or any Agents or Sub-Agents representing Seller or Buyer in the transfer and is not a substitute for any inspections or warranties that the Seller or Buyer may wish to obtain. The Buyer has no cause of action against the Seller or Real Estate Agent for material defects in the property disclosed to the Buyer prior to the Buyer making an offer; material defects developed after the offer was made but disclosed in an update of this Report prior to settlement, provided Seller has complied with the Agreement of Sale; or material defects which occur after settlement. By Delaware Law, the builder contracting with an owner to build a new dwelling for one or two families must offer an option of purchasing an automatic fire sprinkler system or other requested fire suppression system. For more information ask your builder and visit: <u>https://statefiremarshal.delaware.gov/</u> or for the brochure: <u>https://statefiremarshal.delaware.gov/wp-content/uploads/sites/110/2017/07/Home_Sprinkler_Brochure.pdf</u>.

This Disclosure may have been completed by the Seller as a master form for a development. This Disclosure is intended to disclose information about the property and home on the property or to be built. Any conflicts between disclosures on this form and the Agreement of Sale shall be governed by the Agreement of Sale or change orders agreed to by Buyer. Applicable change orders, specification sheets, buyer selections, or permitted substitutions shall constitute an update to this disclosure.

Seller shall answer all the following questions based on Seller's knowledge of the property.

Buyer understands there may be areas of the property of which Seller has no knowledge and this report does not encompass those areas. Buyer has received and read a signed copy of this report. Buyer may negotiate in the Agreement of Sale for other professional advice and/or inspections of the property. Buyer understands there may be projects either planned or being undertaken by the State, County, or Local Municipality which may affect this property of which the Seller has no knowledge. Buyer further understands that it is Buyer's responsibility to contact the appropriate agencies to determine whether any such projects are planned or underway. If Buyer understands that before signing an Agreement of Sale, Buyer may review the applicable Master Plan or Comprehensive Land Use Plan for the County and/or appropriate City or Town Plans showing planned land uses, zoning, roads, highways, locations, and nature of current or proposed parks and other public facilities. This is a legally binding document. If not understood, an attorney should be consulted.
